

#### Chamber of Commerce Secondary School

#### Cambridge Dream Comes True with Prince Philip Scholarship

Congratulations to our recent graduate Jason Fong Ho Leung! He was awarded the Prince Philip Scholarship for Mathematics at the University of Cambridge (Magdalene College) in October 2018! The Scholarship will cover his tuition fee and most of the maintenance expenses, supporting Jason's dream of studying at this renowned university.

Apart from obtaining 5\*\* in HKDSE Compulsory Mathematics and Extended Module 2, Jason attained outstanding grades (the highest levels) on both papers of the Cambridge's Mathematics test, STEP. According to testing statistics, only a very small percentage of candidates reach this level. Obviously, Jason is talented in and passionate about Mathematics! He often reads advanced mathematics books and participates in various math competitions. We wish him great success in his studies and hope he will reach new horizons!

Jason, the awardee of the Prince Philip Scholarship, is about to embark on his new journey in Cambridge.

#### The Conviction of an Oxford Scholar

Currently reading Organic Chemistry for his doctoral degree at the University of Oxford, Terry Lou Shing Bong was galvanised by Principal Wan and his science teachers in Hoi Ping into the realm of science. Terry believes that one's dreams should not be swayed by prospect because life should be an adventure. This realization drove him to embark on his adventure to Oxford on the Croucher Scholarship, bringing him a step closer to his dream.

Terry is convinced that science can change the entire world and improve people's lives.

#### **Setting Out for HKU After Peking University and UCL**

Having earned her law degrees from Peking University and UCL on full scholarships, our graduate Adrienne Lam is currently pursuing her doctoral degree at HKU. Feeling hugely indebted to Hoi Ping, Adrienne attributes her success to Principal Wan and other teachers, who gave her plentiful opportunities and valuable advice. She was then able to conquer her weakest spot - Maths, allowing her to reach new heights in her life.

Adrienne has got full scholarships funding her three university degrees.

#### A Year of Revelling in the **Harvard Ambience**

Our graduate Kwan Man Kit enjoyed a year of rigorous academic training at Harvard University. His stay there was funded by the HSBC Overseas Scholarship, which pays up to HKD\$ 300,000 to cover all costs. This unparalleled opportunity puts Kwan among internationally acclaimed academics and the brightest students in the world, reshaping his perspectives and offering him deeper insights.

Kwan standing outside the Widener Library, the centerpiece of the Harvard Libraries renowned for being the largest university library system in the world.

#### Solid DSE Performance Guarantees Top University Admission

Hoi Ping's performance in this year's HKDSE was pleasing. 85.2% of our students attained the local university entrance requirement of 3322 or above. Most remarkably, 78% received JUPAS degree offers, the highest since 2012.

Hoi Ping also fared much better when compared to the overall statistics of Hong Kong. Our performance in Mathematics (Compulsory part) was particularly pleasing, with 38.3% and 17.5% of students attaining level 5+ and level 5\*+ respectively, whereas only 14.1% and 5.8% of candidates in Hong Kong attained level 5+ and level 5\*+ respectively.

With their impressive exam results, many Hoi Ping students receive offers from top universities every year. Most notably, Fong Ho Leung (6B), with his distinguished achievements in Mathematics, has garnered the attention of the University of Cambridge. In both the Compulsory Part and Module 2, he obtained 5\*\*, securing him a position in the prestigious university's mathematics programme.

### Hong Kong Secondary School English Writing Competition 2017-2018 - The Most Creative Gold Award

Our students recently took part in the Hong Kong Secondary School English Writing Competition 2017-2018 jointly organised by Synergy Education, Asia Children Education Association, and the Hong Kong Award for Young People. Among the participants from over 150 primary and secondary schools, Ashley Ko from 3A won the Most Creative Gold Award in the junior secondary section. Ashley wrote a short proposal to the Constitutional and Mainland Affairs Bureau on what promotions could be implemented to educate the youth in Hong Kong on privacy protection in light of the increasing number of teenagers falling victim to cyberbullying. Congratulations to Ashley!

Ashley and her writing coach Mr. Lui are obviously very pleased with the result as months of writing and editing have paid off!

Even though it is a friendly competition, our debaters are very serious about their preparation to ensure they deliver the best performance.

#### The 45<sup>th</sup> Anniversary Debating Cup – First Runner-up

The final round of the 45<sup>th</sup> Anniversary Debating Cup was held on 25<sup>th</sup> May 2018. Our school defeated two other schools, advanced to the grand finals and debated with Queen Elizabeth School on the motion that 'Hong Kong Government should give more aids to develop the local recycling industry'.

Both teams presented their arguments in an eloquent and powerful manner. At the end of the match, the adjudicator, Mr. Peter Broe, praised both teams on their sufficient research and strong teamwork. Queen Elizabeth School was crowned the champion and our school captured the first runner-up prize.

## **Bringing the STEM Spirit Out of Robotics**

Three students, Oscar Pong, Kelvin Yau and Thomas Sin, have joined a robotic competition – Modular Integrated Construction. With accurate calculations and efficiency, the team got three prizes: Silver Award of Speedy Completion Engineering Award, the Champion of The Best Architectural Appearance Award and overall First Runner-up. While failures and difficulties abounded, these students persevered amid them, testifying to the STEM spirit of never giving up.

Our accomplished young engineers used programs to lift up cans to form architectural structures within 10 minutes with a robotic arm.

### **Budding Moviemakers Bring Home Two Awards**

To celebrate its 70<sup>th</sup> anniversary, the Hong Kong Housing Authority held a short movie competition (「跨代融乜易」中學生微電影創作比賽) for secondary school students. Our S5 students, Sum Kai Hong, Tse Hiu Wai Henry, and Chow Ka Lun, participated in this competition. With their extensive training and practice in the multimedia production team, they completed their masterpiece entitled 'Communication·Attitude (「溝通・態度」)'. Finally, they came third and got the Best Screenplay Award.

These S5 students underscore the importance of communication in bridging intergeneration gaps in their award-winning video.

## Putting Figures into Perspective: From STEM to Socioeconomic Issues

Two groups of students participated in the 2017/18 Statistical Project Competition for Secondary School Students, where participants select, analyse and interpret official data concerning any socioeconomic issues in Hong Kong.

Having learnt to manipulate data and collaborate closely with teammates, our S4 team won the Second Prize of the Senior Section with their research project entitled 'LEFT-OVER WOMEN - A Revisionist Analysis of Its Causes'. Meanwhile, our S3 team was awarded the Distinguished Prize of the Junior Section with their project 'More and more DSE survivors dropping out of university - What is going on?'

Our young statisticians displaying excellence in a statistical project competition.

#### **Choral Speakers Bringing Poem to Life**

Our S1 and S2 English Choral Speaking Team was crowned Champion in the 69<sup>th</sup> Hong Kong Schools Speech Festival Mixed Voice Choral Speaking Event. With an exceptional score of 91, the team was praised for its cheerful entrance, well-chosen gestures, excellent facial expressions and good characterization of the poem. We are proud of all team members, as well as Ms Wu, Ms Lau and Ms Tsui, whose time and effort expended in training are commendable. Special thanks should also go to Principal Wan and all English teachers, who all provided valuable comments along the way.

# Sparkling on the Podium – Orchestra Members Put Up Impressive Shows

Our talented musicians score spectacular success in music competitions.

Our school's Orchestra participated in the Joint School Music Competition, String Orchestra and Symphony Orchestra. Students played a medley from "Pirates of Caribbean" with a percussive, spirited mood, and a lively famous music piece, Hungarian Dance No.5 by Brahms. They were awarded the Silver Prize and praised for their good cooperation and balance of different parts.

Furthermore, our Strings Ensemble was awarded the Gold Prize with a high score of 90. The three dances played, full of colour changes with appropriate interpretation, were highly commended by the adjudicator.

#### **Choristers Hitting the Stage with Melodious Music**

Our School Choir made an excellent achievement this year. They participated in the Junior Mixed Choir, foreign language section of the 70<sup>th</sup> Hong Kong Schools Music Festival and came third. Also, they were awarded the Gold Prize in the Joint School Music Competition – Challenger Section. Our choir members performed two pieces, "Thank you for the Dream" and "TurotEszik a Cigany". Adjudicators praised the team for their full, strong tone, and expressive musical phrasing. Their good articulation and contrasting dynamics fit well together.

Choir members grinning proudly after their enchanting performance.

prowess in the top division next year.

#### **Continuing Our Legend in Athletics**

After three days of intense competition with top-tiered schools in Hong Kong, our Boys' Athletics Team accomplished yet another remarkable feat by securing the 3<sup>rd</sup> position (Overall) in this year's Inter-School Athletics Competition (Division 1). Many schools in Hong Kong are now investing more resources in athletics training, so fighting against these keen competitors is no easy task. Despite the intense rivalry, we have received the 3rd position nine times in the last 11 years. Another key fact should be mentioned here: this year, the boys' team received 263 marks in total, which is 23 points more than last year.

Here's another good news from the Girls' Athletics Team: winning the 2<sup>nd</sup> position (Overall) in the Inter-School Athletics Competition (Division 2), they will be promoted to Division 1 the next season! Both of our teams move forward with confident strides, and every point they have gained is a recognition of their determination and solidarity!

#### Efforts Paid Off - Girls' Basketball Team Promoted to Division II

In the Inter-school Girls' Basketball Competition (Division III, Kowloon Area II), our Grade A, Grade B and Grade C girls got the Sixth, Second and First places respectively, and won the Overall Championship. Most encouraging is the promotion of our school to Division II for our excellent results this year.

Winning is not always because of luck. To achieve that one goal, every team member must work together as one to establish a sense of pride, trust and belongingness. As a school committed to nurturing students' all-round development, we are very proud of everyone's pursuit of perfection in the games.

It was through months of intensive training that the girls succeeded in achieving this encouraging result.

Chiu representing Hong Kong in a national athletic competition in China.

#### **Student Representing Hong Kong in a National Competition**

Chiu Pak Yin S5E

My participation in the National Youth Athletic Competition in Jinzhou, Liuning from 15th to 17th May 2018 on behalf of the Hong Kong Athletics Team was undoubtedly an eye-opening experience. The scale of the National Youth Competition, with top-notch athletes, advanced equipment and the size of the stadium, really impressed me. Despite coming only 8th overall, I was not really disappointed as it was only my first shot overseas. Skills like managing my emotions that I acquired will surely serve me well next time and better prepare me for my athletic career.

## Life Buddies Mentorship Programme with Lands Department

S4 and S5 students are matched with staff members from Lands Department in the Life Buddies Mentorship Programme. On 21<sup>st</sup> April, students invited their mentors to visit our school. To welcome our guests, our students organised a series of activities, including a school tour and school adventure game. They made cookies and thank you cards for the mentors to express gratitude. The Lands Department also arranged for three staff members, who are our alumni, to encourage and share their work experiences with our current students. It was a rewarding day to all participants.

The programme is a success as mentors and mentees learn from each other.

## An Enriching Experience with Students from the University of Edinburgh

Initiated by our alumnus and sponsored by the Parent-Teacher Association, a job-sampling activity was organized by the Careers and Guidance Committee on 21st July 2018.

On their own initiative, eight S4 and S5 students acted as tour guides to visitors from the University of Edinburgh. The visitors were brought to famous tourist spots like Wong Tai Sin Temple, Mei Ho House and Garden Hill. Not only did students enhance their career-related knowledge, but they also had their horizons broadened through the cultural and academic exchange with the visitors. All of them had an enjoyable and fruitful day.

The hot July weather hardly dampens the mood of this merry group!

#### **Alumni Embracing Alma Mater with Love and Action**

The Careers and Guidance Committee aims at helping students set life goals and enriching their knowledge of the world of work. Together with the Alumni Association, the Hoi Ping Alumni Mentorship Programme was thus launched in July 2018. 22 S4 and S5 students were among the first group of mentees of the programme. They were put into small groups based on their preferred industries. Each group was led by one to two alumni mentors from different fields of work such as medicine, physiotherapy, nursing, architecture, business, finance, engineering, and design. In these informal meetings, students gained advice from the alumni mentors and prepared themselves for their future careers.

#### Grand Finale to Hoi Ping's 45th Anniversary Celebration

The Variety Show, the grand finale to Hoi Ping's 45<sup>th</sup> Anniversary celebration, was held on 9<sup>th</sup> July. That night, over 200 teachers and students put on this unforgettable show which impressed all audience. The show began with the Dance Team's dazzling steps and twirls; then, two students surprised the audience with their spectacular artistic cycling and gymnastics skills.

After their stunning and exciting performance, the School Orchestra was joined by the School Choir, whose presence enlivened the show. Immediately following was one of our students playing the melodious Guzheng music, which mesmerized the audience.

Next, the English Choral Speaking Team captivated the entire hall with their lively and energetic performance. The western dance performed by the Alumni Dance Team donning beautiful costumes was equally amazing! But the climax was teachers' performance—the crowd roared in absolute joy as everyone was deeply impressed by our teachers, who shed their usual authoritative image as they sang and danced on stage!

The Alumni Dance Team's performance is a sight to behold!

The School Choir express their love for the school through lyrics—and fashion!

Teacher performers seem to enjoy themselves as much as the audience do!

The highlight of the Variety Show was definitely the English musical – "The Sound of Music". Our students spent months preparing for the musical and their wonderful performance showed that their efforts had paid off. There were spectacular visual elements in the musical, and together with actors' singing and dancing, it was the perfect show to wrap up the perfect night. The audience were evidently satisfied with the performances as thunderous applause resounded in the hall at the end of the Variety Show!

Student actors and backstage members of the musical attend countless after-school rehearsals—just to perfect their roles to delivery this stellar performance!

師生們在紹興的東湖乘坐烏蓬船後留影。

## 山光水影品詩文尋訪古蹟懷故人

#### 雄辯滔滔覓真理 人才濟濟顯光芒

二零一八年五月十五日,我校参加了由江門市教育局和李錦記有限公司合辦的第三屆李錦記杯粵港高中辯論賽。我校分別對戰香港四邑商工總會黃棣珊紀念中學,以及鶴山市第一中學。比賽過程激烈,雙方辯論員雄辯滔滔,台下掌聲雷動。最終我校隊員憑著出色的表現,奪得亞軍殊榮,而我校李嘉敏同學更榮獲最佳辯論員獎。我校中文辯論隊在比賽中獲益良多,我校中文辯論隊將會再接再厲,在未來的比賽中積極學習,提升水平。

本校辯論隊成員上台領獎

#### 閱讀無邊界 一 從校園生活到國際視野

中文科今年有幸邀請到著名作家游欣妮及胡晴舫分別主持初、高中寫作講座。游欣妮女士為中學教師,曾獲中文文學創作獎新詩組優異獎。其作品取材貼近校園生活,講座中更藉多個生活化例子教授初中同學如何獲取寫作靈感,令同學多有共鳴。胡晴舫女士於兩岸三地以及新加坡各大中文媒體均有固定專欄,其作品《第三人》榮獲第37屆「金鼎獎」圖書類文學獎。訪談會中胡晴舫女士就學生提問分享個人獨特看法,氣氛熱烈,令同學對立身處世重新反思。兩位作家之書籍在書展中大受歡迎,為學生搶購一空。

作家游欣妮向同學分享創作心得
