

High Flyers in HKDSE

Sustaining High Academic Standards

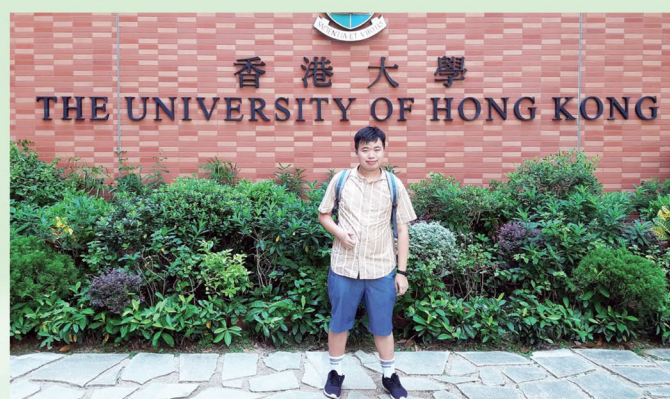

Results of the HKDSE 2019 were issued on 10 July 2019. Of the 155 students who sat the HKDSE, 25.3% of Hoi Ping students attained level 5 or above; 67% level 4 or above; 92.2% level 3 or above; and 99.6% level 2 or above. Meanwhile, 85.8% reached the university minimum entrance requirement (33222).

Hoi Ping's performance in the core subjects also surpassed the territory-wide statistics by a wide margin. Students fared best in English as 73% achieved level 4 or above (HK: 26.2%), followed by 78.1% in Mathematics (HK: 39.9%), 65.8% in Liberal Studies (HK: 39.2%), and 51.6% in Chinese (HK: 29.6%). These results are very encouraging to students and teachers alike.

DSE Tips from Our Top Scholar

Kevin Shing Chung Hin (Five 5**)

To excel in DSE, you must have a solid foundation in the subjects, and being attentive in every lesson is a must. Be humble to ask questions—after all, the pursuit of knowledge is an endless journey and the answers you seek may come in handy in DSE. Time management is crucial too. Always maintain a good work-life balance and allocate enough time to rest. Finally, don't rely too much on tutorial classes, as some "exam skills" provided are actually taught by your teachers in school. Why should you waste your precious money and time then?

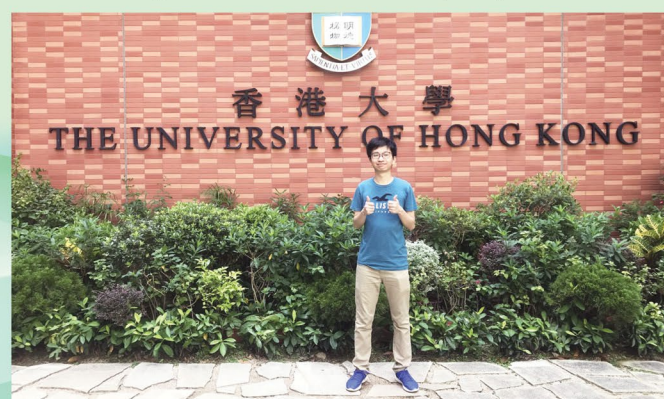

Kevin Shing Chung Hin is ready to achieve greatness again—in a different setting this time—the HKU medical programme.

Spend Your Time Wisely

Gavin Leung Yu Pan (Three 5**)

To me, the key to success is to understand concepts taught in lessons; instead of memorizing all the complicated equations, I tried to understand the meaning behind every symbol. This way, not only could I be more familiar with the concepts, but I could also deal with more difficult questions because I had established a solid foundation in the basics. Taking every practice in class seriously is also very important. This is because teachers always give invaluable suggestions to help you improve, and you can then have a general idea of how well you perform!

Having been admitted to HKU Dentistry, Gavin Leung Yu Pan has made his dream come true.

Budding Mathematician Hitting Another Milestone

Fong Ho Leung, a 2018 graduate, sparked in the Hang Lung Mathematics Awards 2018, a biennial mathematics research competition. Participants had to conduct extensive mathematics research and write up a research report reviewed in a rigorous, multi-step process, akin to the scrutiny applied to articles published in scientific journals. Only finalists were invited to an oral defence before renowned mathematicians worldwide, modeled after those for doctoral dissertations.

Fong stood out from 260 contestants with his intellectual rigour, and brought home the Honourable Mention Award. Congratulations!

Our Biologists Shine in International Biology Olympiad

Some of our S5 students participated in the International Biology Olympiad – Hong Kong Contest 2018, co-organised by the Education Bureau and the Hong Kong Academy for Gifted Education (HKAGE), and performed exceptionally well with their intellectual flair. 5A Chum Bruce Y. C. was the first runner-up for the Outstanding Student Performance Awards.

As for individual awards, Bruce clinched Gold, whereas 5A Wu Hoi Lam reaped the Honourable Mention Award.

Our students' impressive performances also put our school among the awardees of Honourable Mention for Schools. Congratulations!

Wu Hoi Lam (left) and Bruce Chum (right) brought our school great honour.

S2 Young Talents Setting Off Journeys to the Realm of English Writing

Three S2 students (2A Jennifer Cheng, Melody Lo & Agnes Tang) received recognition for their writing talents in the Magazines International Young Writers Award 2019, which over 2000 students from 41 secondary schools in Hong Kong joined.

Judges commended our students on their 'creative descriptions of people' and 'very good use' of language 'to help the reader understand and relate' to the topic.

Writing competitions can definitely hone writing skills. Hoi Ping students, don't shy away from these opportunities—let your inner thoughts be heard and write about them!

One of our young writers, Melody Lo, received her award with her outstanding work.

Our students won a trip to Beijing with their award-winning mini-movie.

Filming Out of Town!

Two teams of our students reaped five awards in the Hong Kong Secondary School Mini-Movie Competition. In the senior form session, we got the Silver Award, the Best Cinematography Award and the Third Place of Having Most "Likes" on Facebook. In the open session, we got the Bronze and Best Film Editing Awards.

In addition to trophies and certificates, both teams won the chance to go on a study tour to Beijing in July 2019, bringing them to universities and studios of film companies to learn about film production there. Congratulations to the winners!

Race to the Line: Rocket Cars Bear Out Our STEM Know-how

Three teams of our students participated in the Rocket Car Competition. Starting from scratch, they gradually learnt STEM knowledge and 3D printing technology to make a faster rocket car. Upon completion, they tested their cars in a speeding competition with other schools. Our students did well at the qualifying stage, and one of the teams (Kam Long Yin (4C), Lee Ka Yiu (1C), Liang Chun Yin (1C) and Ng Lok Chun (3C)) got the second prize.

Our little scientists brought home great honour with their rocket cars, a testimony to their STEM know-how.

From STEM to Games ... and to Trophies!

On 15th May 2019, four S5 students participated in the VTC STEM Challenge Cup 2019, a computer game design competition. Our students had to design a game geared towards promoting STEM to the public and encouraging girls to work in STEM-related industries, and with their commendable dedication, they walked away with the First Runner-up medal and the Award for the Most Popular Game on the Internet. Congratulations!

Our team impressed judges and Netizens with their cleverly designed game.

Sparkling Glamour of Our English Drama

Our English Drama Team put up a spectacular show in the Hong Kong School Drama Festival 2018/19 with its production of "The Last Day of Being 16". The 29 actors and backstage crew worked tirelessly with director Mr Lo Chun Ming, and teacher advisors Ms Lo, Mr Henry, Ms Ma and Mr Lee to bring this tale to life. Their months of toil finally paid off, earning us three awards – the Award for Outstanding Performer (for 5D Ng Kei Yiu and 5C Chong Ka Lee Kelly), the Award for Outstanding Cooperation and the Award for Outstanding Stage Effect.

Our talented actors and actresses put together a great show highly regarded by judges.

Angelic Voices Holding Audience in Awe

Our school choir participated in the Joint School Music Competition 2019 (Mixed Choir) organised by Hong Kong Joint School Music Association in April this year. With their phenomenal performance of the song 'Remember Me', they were awarded the Gold prize with a high score of 90. Congratulations to the school choir!

Our choristers impressed the judge with their angelic voices.

Avid Choral Speakers Rocked the Stage Again!

The S1 & S2 English Choral Speaking Team came first in the 70th Hong Kong Schools Speech Festival. The team was commended for its beautiful synchronization, effective choreography and clever use of pace, with an exceptional score of 90.

The team's success would not have been possible without the advice and support from Ms Wan, Ms Leung, Mrs Hui, all the teachers from the English Department, the MMPT and the janitors.

Once again, congratulations to the S1 & S2 English Choral Speaking Team.

Our choral speakers displayed their flair onstage with their synchronized moves and impressive handling of the piece they perform.

Another Year of Glory in Inter-school Athletics Competition

The Boys' Athletics Team's yearly tour-de-force has been applauded and widely recognised.

After three days of intense competition, our Boys' Athletics Team once again accomplished the remarkable feat of achieving third place in this year's Inter-School Athletics Competition.

This year's competition gave rise to a shining star, Liu Hiu Long (3B), who beat all other competitors and became the champion of Boy's B Grade 110m hurdle, which was truly an inspiration and motivation for the whole team! Another encouraging news is that our B Grade achieved the third position with 124 marks in overall scores, 50 points more than last year's total!

We will keep striving for perfection with all our might!

The newly crowned champions will face greater challenges next year in Division 1—and they're ready!

Victorious Badminton Team Capturing Gold

The Badminton Team (Boys C Grade) successfully won their tickets to the semi-finals of the Inter-school Badminton Competition. After several rounds of fierce competition, the team claimed the championship in Division 2. In the entire competition, they showed team spirit and sportsmanship, which made teachers and coaches very proud!

We are also honoured to announce that our boys will be promoted to Division 1 next year. We would like to express gratitude for the support from our principal, Ms Wan, and our teacher advisors Ms Lee, Ms Wu and Mr Chan for this wondrous result!

Dance Team Receives Highest Accolades in Schools Dance Festival

24th January 2019 was a victorious day for the Dance Team as they won several awards in the 55th Schools Dance Festival.

The 16 dancers performed a Bulgarian dance. The judges praised their coordination, great mastery of techniques, as well as their unique style. As a result, the Dance Team received the Honours Award and the Choreography Award.

The team had been invited to perform the dance in the Winner's Performances at Shatin Town Hall earlier in May. Special thanks should be given to Mr Abraham Lui, Ms Wong Man Sze and Ms Chau Sau Ying for their dedication and contributions to the team.

Lighting up young minds with life experiences

The Careers Day, jointly organized by the Careers and Guidance Committee and the Alumni Association, was held on 11th May 2019. The day kicked off with a sharing by our alumnus, Ms Doris Leung, who founded Diamond Cab (HK) Ltd. Students were inspired by Ms Leung's courage and perseverance in her difficult times.

The Careers Day is a wonderful day where students—past and present—gather together to share their experiences and ideas.

Moreover, around 45 alumni were invited to share their life and work experiences with S4 and S5 students. They gave them a clearer picture of the current job market. This helped students to be more aware of the importance of developing their skills for their future and career paths.

Life Buddies Mentorship Programme with Hong Kong Sanatorium & Hospital

Our students were matched with staff members from the School of Nursing, Hong Kong Sanatorium & Hospital in the Life Buddies Mentorship Programme. On 28th September 2018, our students visited the school in Wong Chuk Hang. Teachers from the school gave our students a campus tour, showing them the facilities and what nursing students do in their lessons. Both the teachers and students from the school shared their experiences with our students, encouraging them to work hard to achieve their goals. Our students received a lot of useful information on entering the medical field.

Being a Government Official for a Day

Tong Kun Chi Alpha (5B) participated in "Be a Government Official for a Day – Heads of Departments Edition", a job shadowing programme launched by the Life Buddies Mentoring Scheme. Alpha was selected as one of the 46 students to attend the programme.

Alpha shadowed Ms Lau Yim Alice, Permanent Secretary for Financial Services and the Treasury (Treasury). Ms Lau shared her insights into her work and future plans. Alpha was also invited to take part in an internal conference and visited the Government Logistics Department.

This is certainly an invaluable and eye-opening learning opportunity for Alpha!

Books Galore!

The English Reading Week (18 March – 22 March 2019) has always been a popular annual event. The highlight was the Book Fair: English books were sold at discounted prices, and book lovers could read and enjoy their favourite drinks at the Book Café.

Book talks are part and parcel of the Reading Week. This year, S1 and S2 students learnt fun tips for writing stories from Hong Kong-based American writer, Shannon Young. S3 and 4 students had a delightful afternoon with Albert Wan, former lawyer and now owner of Bleak House Books.

Students are eager to own a copy of their favourite books!

Organising game stalls? For these brilliant S1 students, this is no pressure!

Learning to Manage Stress

In March, a “Proactive Life Week” was held as part of the Peer Tutoring Scheme. Its aim was to help students develop positive attitudes to face stress.

Teachers shared their experiences of managing stress during the morning assembly; a workshop was held, in which our students learnt effective strategies for stress management; together with the Health Education Club, stress-reducing food was delivered to students.

With the help of peer tutors, S1 students organised their class game stalls and parents were invited to participate. All participants enjoyed themselves—the goal of the Life Week was achieved!

Updates on Professional Staff Development

Our school has invested much in teachers’ professionalism so that they can be prepared for societal changes and educational reforms.

We applied for a school-based QEF programme to enhance the leadership qualities of middle managers; the “New Teacher Orientation Day” is regularly held to offer support and guidance to new teachers. To better cope with students’ diversified needs, the Staff Development Team invites speakers to give themed talks and workshops and arranges school visits. Moreover, a total of 28 teachers have received professional training on special education needs.

These measures will enhance the capacity of the school as teachers are the key to success in school development.

An expert speaker has been invited to deliver a talk on understanding and helping students with mental health issues.

香港學校戲劇節：劇台上展光華

本校的中文戲劇學會於三月四日參加了香港學校戲劇節，演出劇目為《我們的畢業禮》。故事講述一位畢業生，因要兼職未能參與綵排，故學校不批准她出席畢業禮，引發傳統與公義的衝突，讓畢業生反思畢業禮的意義。是次演出獲得評判的高度評價，我校奪得評判推介獎、最佳演員獎、最佳導演獎及最佳合作獎，更獲邀請在五月七日於荃灣大會堂公演，令人鼓舞！

同學精湛演技備受肯定

跨學科學習：上海歷史及文化考察團

本校中國歷史科、中國文學科及歷史科跨科協作，由老師帶領學生以多角度認識上海歷史及文化。是次上海歷史及文化考察團於29/6-2/7/2019期間舉辦，行程豐富，學生透過參觀徐家匯天主堂認識天主教在華發展情況；城隍廟、南京路步行街則見證中國商業現代化的歷程；魯迅博物館、巴金故居亦令學生了解近代偉大作家的創作心路歷程；行程以書店鍾書閣作結，同學都在書店內尋得心頭好。遊學團行程雖短，但參加的同學都表示十分難忘。
