旅港開平商會中學

Great Success in Pursuing University Studies

Having acquired commendable HKDSE results, our students were admitted to prestigious local and overseas institutions for further studies. They stood out in the JUPAS with 54 of them being admitted to the University of Hong Kong, the Chinese University of Hong Kong and the Hong Kong University of Science and Technology. 75.2% of our students obtained JUPAS offers.

This year, 4 students were admitted to the medicine programme while 2 were admitted to law offered by either The University of Hong Kong or The Chinese University of Hong Kong. Students who are interested in translation, global communication or management also have their dreams come true. It was indeed another fruitful year for Hoi Ping students.

Time-Management is the Key!

Cheung Ching To (Four 5** and Three 5*)

Since I joined quite a number of activities, it is important for me to arrange my time well. To me, homework is never a chore but an opportunity to learn more. In order to consolidate my language skills, I will read classic Chinese texts and do extra writing practices. I will also look for mock exam papers online to test myself so as to build a solid foundation.

Cheung Ching To is studying Medicine in CUHK.

High flyers in HKDSE

Shooting High, Flying High

With goals set high and efforts put, our student, Sham Chiu Yu (6B) has reaped the Hong Kong Scholarship for Excellence, which grants him an amount of up to HK\$450,000 per annum. Sam is going to study Master of Engineering in Civil Engineering in the Imperial College London, which is ranked eighth and third in the world and in the UK respectively.

Scholarship awardee, Sham Chiu Yu

It is All about Being Proactive and Persistent

Wong Fu Wa (Three 5**, Two 5* and Two 5)

Having a proactive attitude towards learning is my key to success. I always finish extra assignments and ask for teachers' feedback. By doing so, you can learn what is not mentioned in lesson time. Always remember to be a strict observer of self-discipline. Try your best to finish assignments and start revising as early as possible!

Wong Fu Wa has been accepted to The University of Hong Kong's Medicine programme.

Write your way to England

Lee Ho Wan Owen (5B) was selected as one of the four winners of British Council's UK Summer School Competition 2016/17. This is a once-in-a-lifetime opportunity for participants to gain first-hand experience studying in the UK and immerse in its rich history and culture. Candidates were asked to submit an essay based on the theme, 'What would you do if you could spend a day in the life of your favourite UK celebrity, icon, historical figure or fictional character?' Owen's essay about Robin Hood outperformed over a hundred applicants and demonstrated his creativity and flair for writing!

Our accomplished young writer is delighted to be one of the selected few.

Award-winning Writer in the Making

Students were given the topic, 'A new beginning – to esteem and support the rehabilitated offenders'. Competition was particularly fierce this year because the organiser, Asia Children Education Association, received more than 6000 entries from numerous schools. Many of our students took part in this competition and Lam Wai Chee Jolie (4E) received the Most Creative Writer Award in the Senior Secondary Division. She wrote about how we can help ex-offenders integrate into society using alternative methods rather than capital punishment. Congratulations to Jolie!

Jolie smiling gleefully after the ceremony. What a precious moment to be captured!

Winning the competition Hands Down with Hands-on Research

Two groups of students participated in the 2016/17 Statistical Project Competition for Secondary School Students. In the competition, participants were requested to select, analyse and interpret official data on any social or economic issues in Hong Kong.

Our students learn to manipulate data and to cooperate closely with their peers. Eventually, the research project of the S4 team, 'Basic Education: Investment or Consumption?', won the Distinguished Prize of the senior section; whereas the project of the S3 team, entitled 'Environmental Protection: Wastes, No Way', won the Prize for the Best Graphical Presentation of Statistics of the junior section.

Students capturing this glorifying moment with the adjudicator.

Excelling in STEM – Smart Wallet brings home the Champion

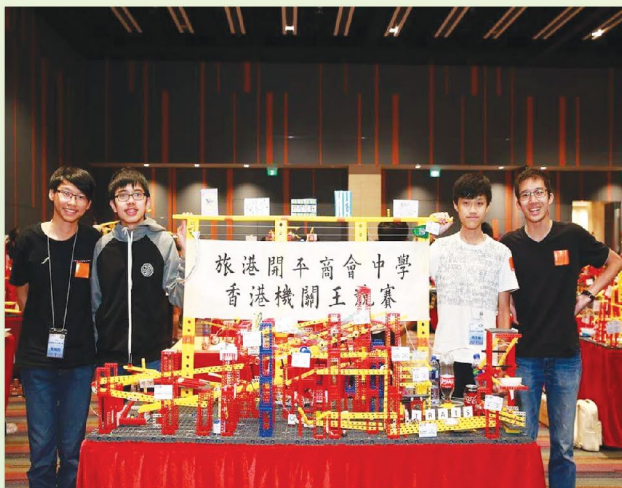

A team of S2 students outperformed over 300 participants and was crowned the Champion in the Hong Kong Student Science Project Competition 2017.

Our students invented a wallet which allows users to tap two octopus cards in the same wallet. This is user-friendly for parents as they often need to tap octopus card for their children. The wallet can also protect credit cards from illegal data reading.

During summer vacation, the team represented Hong Kong and went on an exchange tour in Japan! Congratulations to our little scientists!

The winning team proudly displaying their design and trophy.

Students posing confidently next to their winning piece.

Unleash your Creativity, Make it a Reality!

On 6th May 2017, four students took part in the 2016/17 Hong Kong GreenMech Contest organised by the Hong Kong Federation of Youth Groups. The team demonstrated their creativity and STEM skills by including different science principles and green energy concepts in their final product. In the end, they won the second runner-up prize in the Senior Secondary Division. In August, they represented Hong Kong in the GreenMech Contest World Finals in Hangzhou and captured the Excellence Prize.

Hoi Ping A.I. walks off with First Class Honour

Our school sent three teams to participate in Vibrating Robot Race 3.0 organised by the Hong Kong New Generation Cultural Association on 5th November 2016. In this competition, each participating team had to make their own robot for an obstacle relay race. After countless attempts of trial and error, our students overcame all obstacles and were ready to face the challenge. With their collaborative efforts, one team was awarded the First Class Honour and the other two teams were awarded the second prize!

Our young talents beaming with pleasure after winning the competition.

Our skilled performers dancing in mesmerising unison.

Dance Team walks away with Prestigious Awards

Our dance team yielded victorious results in the Schools Dance Festival held at the Shatin Town Hall on 3rd February 2017. Six boys and six girls from the team performed a Romanian Dance in the Group Dance. The judges were impressed by their style of presentation and harmonious coordination when arranging complicated patterns.

Three girls joined the Trio Western Dance performing a Slovak dance. The judges remarked that the dance was well presented with good sound technique and cooperation among dancers. With their great efforts, both dances were awarded the Honours Award and the Choreography Award.

Enchanting Voices that Capture people's Heart

Our school choir was crowned the 1st runner-up in the Junior Mixed Choir Chinese Language Section of the 69th Hong Kong Schools Music festival on 8th March 2017. Our choir members performed two songs. The set piece, 'Where are you, Mom?' was lyrical and expressive, whereas the second song 'Dong Dong Wa' was lively and energetic. Every member performed their best and sang well on stage with confidence and full engagement. The performance was applauded by the adjudicator and audience. Congratulations to all the choir members!

The new blood in the team grinning triumphantly with pride.

English Drama Team sweeps to Victory in the Drama Festival

The English Drama Team enjoyed great success in the Hong Kong School Drama Festival 2016/17 with its production of 'Home is where the heart is'. A total of 40 actors and backstage crew worked tirelessly with directors Mr. Walker, Miss Lo and Miss Ma to bring the characters to life. In the end, we captured four great awards, namely the Award for Outstanding Director, the Award for Outstanding Performer (Chan Yin Ki (4C) and Ng Kei Yiu (3B)), the Award for Outstanding Cooperation and the Award for Commendable Overall Performance.

A truly inspiring performance that has the right touch and sensibility to resonate with the audience.

The team is running around the field in victory.

A Powerful Comeback in the Inter-School Athletics Competition

With a year of hard work, our athletes gave their best effort on the track and field, demonstrating their unyielding perseverance and determination at the highly competitive Inter-School Athletics Competition (Division One). Despite being a co-educational school, both our Boys' B grade and C grade got the 3rd runner-up prize and the 2nd runner-up prize respectively. Togetherness accomplished such a gorgeous feat! Our school was the 2nd runner-up in Division One with the total score of 240 points when the day came to a close.

This outstanding result was undoubtedly a power rebound since 2013. The success was achieved by meticulous efforts of restructuring the whole team and the devotion of all coaches and team members.

Swimming Against the Odds

Our school's swimming team participated in the Inter-school Swimming Competition 2016/17 on 14th October 2016 and captured a total of 11 medals in individual events and 3 medals in relays. Our students practised hard for the competition and worked closely as a team. Despite fierce competitions, they did their best and showed marvelous talents in swimming. Our students eventually won the championship for boys A grade, the second place for girls C grade and the fourth place for boys overall.

The young athletes truly enjoy the fruits of their labour!

Fight beyond Limitation

The Outreach Coaching Fencing (Foil) Team Competition 2016/17 was held on 18th December 2016 at Hong Kong Park Sports Centre. On the day of the tournament, both our boys' and girls' teams competed with strong determination against top-class fencers. They did their best and demonstrated remarkable talent in fencing. Collaborated as a team and adjusting their strategies and rhythm, our boys' team came third in the Boys Senior Group while the girls' team was awarded second in the Girls' Senior Group.

The winning team posing cheerfully when they receive their trophy.

Learn to be a Better Leader – Prefects' Leadership Training Day Camp

To strengthen prefects' sense of belonging and boost their courage and confidence in coping with problems, the Discipline Committee organised the Prefects' Leadership Training Day Camp on 25th February 2017 jointly with the Salvation Army. All 51 prefects and 3 teacher advisors joined the camp. Through a series of challenging tasks, students learned how to handle difficult situations during their tenure.

Serving others prepare us to lead others!

An Adventure to Remember – S1 Growth Camp

To help students develop a stronger sense of belonging to the school and their classes, the Counselling Committee organised the S1 Growth Camp on 5th and 6th May 2017. Through completing different challenging command tasks prepared by our peer tutors, our S1 students unleashed their creativity in writing lyrics and designing costumes for the talent show. The sharing session also helped them learn how to appreciate themselves and the others. The camp was full of laughter and helped a lot in cultivating a harmonious and supportive atmosphere among students.

Students are doing a catwalk for the talent show.

Hello from the other side of the world!

London Cultural Study Tour – Travel more, Know more, Experience more

This summer, thirty S2 to S4 students participated in our school's 15-day London study tour organised by the English Department. Not only did the students get to discover and explore iconic British attractions, they also got to immerse in the local culture through the home-stay experience. Our students have gained much through this tour and they have grown interest in English through appreciating different language arts texts in the lessons conducted by qualified local teachers. We are sure our students have had a memorable and fruitful summer.

Enriching Experiences with Students from the University of Edinburgh

Initiated by our alumnus and sponsored by the Parent-Teacher Association, a job-tasting activity was organised by the Careers and Guidance Committee and elite class students on 15th July 2017.

Eleven S4 and S5 students took the initiatives and acted as tour guides to the ten student visitors from the University of Edinburgh. The visitors were brought to numerous famous tourist spots like Wong Tai Sin Temple, Apliu Street, Mei Ho House and Garden Hill. Not only did students enhance their career-related knowledge, but they also had their horizons broadened through the cultural and academic exchange with the visitors. All of them had an enjoyable and fruitful day.

Our 'tour guides' introduced the history of Apliu Street to students from the University of Edinburgh.

Passing Study Skills to the Greenhorns

S1 study group sessions were held in the school hall for students from 17th to 20th October 2016 during lunch-time to assist them to prepare for their first term test. Our peer tutors were responsible for helping and teaching S1 students in the study groups. This provided a great chance for all peer tutors to share their learning experiences with our new Hoipingers.

Our peer tutor is tutoring some S1 students patiently.

Planning for a Brighter Future

On 6th May, over forty Hoi Ping alumni were invited to share their career experiences and insights with our senior form students. On that day, our students first listened to two keynote lectures by Lee Ming Keung, an investment banker, and Cheuk Hau-yip, a regional commander in the Hong Kong Police Force. Then based on their interest, our students split up and had discussions with alumni from the industry that they were particularly interested in. This exposure to a diverse range of career paths will surely encourage our students to explore and plan their own futures.

Our principal thanks Mr. Lee Ming-Keung and Mr. Cheuk Hau-yip for their inspiring sharing.

Mr. Walker is sharing his sweet moments at Hoi Ping!

Walker's Corner – Moments at Hoi Ping

I've been most fortunate as a teacher at Hoi Ping. Each year has brought me in direct contact with about 600 students in my oral English lessons, mainstream classes and extra-curricular activities. My classes have been very enjoyable – even though some students may have felt a touch of 'excitement' as I drew numbers to find volunteers! – and our drama productions have forged great friendships and team spirit.

Over the years, we've enjoyed chatting with the Australian International School students, visits to an Aussie warship, western author visits and writing workshops, pantomime and pizza at Grappa's, debate finals, exciting improvisation and drama competitions ... what fun we've had!

「仕」而優則學 再創新路向

鄭兆榮副校長

一九八八年大學畢業，在開平中學開始了我的第一份工作，轉眼便接近三十年了。

這些年來很感謝同事、家長、同學和校友對我的關心和支持。在擔任副校長的工作後，我開始進修一些高階的教育課程，讓我重拾學習的樂趣，也啟發我重新思考自己的人生意向。雖然，離開工作接近三十年的地方，多少有點捨不得，而且適應新生活也需要點時間，但我仍非常雀躍和期待，並相信我的人生將會活得更精彩、更有意義。

最後，謹在此祝願各位老師工作愉快！各位同學學業進步！我們後會定有期 !!!

教師會聯歡聚會 依依惜別送大禮

相約在台灣的文學饗宴

初夏四月，中文科舉辦了台灣文藝散步團。同學遊走於國立歷史博物館、朱銘美術館、作家胡適、林語堂故居及書店，體驗文藝青年的生活。同學更到訪不同類型的書店如茉莉書店、有河book等，享受豐盛的文學饗宴，並購入不少心頭好，把美好的閱讀時光延續到回港以後的日子。
